Four expressions. A shared passion for blending.

Rooted in heritage. Blended with passion.

A family-owned company with a rich African heritage, Baoba Royal brings tradition and modernity together in every bottle.

Our passion for creating premium spirits is rooted in that heritage. We use only the highest-quality ingredients, sourced from some of the world's finest distilleries, to create our exceptional blends.

Our master blender carefully selects each whisky to meet our exacting standards, creating a beautifully balanced, smooth taste.
